

26th International Conference on Nuclear Tracks in Solids

15th -19th September 2014, Kobe, Japan

Registration Starts on 1st May

Registration

The 26th International Conference on Nuclear Tracks in Solids will be held from 15th to 19th September 2014, at the Integrated Research Center of Kobe University, Japan, which provides a platform to present and exchange recent achievements on the fundamental and applied research of nuclear tracks, including that in etched track detectors and nuclear emulsions. On site registration desk will be opened on 14th September at 16:00.

It is strongly recommended to make early registrations before 31st July. The registration can be made at the conference website (<http://www.org.kobe-u.ac.jp/icnts26/index.html>), as well as hotel reservations and the abstract submissions. To start the registration, click the banner of “Registration” or “Abstract” on the top page. Please attain your own Login ID at the first.

Full rate includes proceedings and book of abstracts, INTS membership (3 years), coffee breaks, lunches and the banquet. Student rate includes book of abstracts, coffee breaks, lunches and the banquet. Accompanying person rate includes coffee breaks, lunches and the banquet.

	Advanced Registration (On or before 31st July)	Standard/On-site Registration (On or After 1st August)
Regular Member	JPY 50,000	JPY 60,000
Student Participant	JPY 30,000	JPY 40,000
Accompanying Person	JPY 20,000	JPY 20,000

Proceedings

important

All accepted contributions will be published as *Physics Procedia* of Elsevier, an open access product from Elsevier focusing entirely on publishing conference proceedings. A selected set of manuscripts will be published additionally as normal peer reviewed research articles in a special issue of *Radiation Measurements*. Instructions to authors will be given through the conference website. *Physics Procedia* (<http://www.journals.elsevier.com/physics-procedia/>).

Accommodation

Hotel information is provided for Kobe Portopia Hotel, Sannomiya Terminal Hotel, Kobe Tokyu Inn and Daiwa Roynet Hotel-Kobe-Sannomiya in the Conference website (about 10,000 JPY/night or higher). The Organizing Committee is trying to offer rooms in a hostel-type facility near the conference site, Nichii Gakkan Kobe Port Island Center, with an economic price (20,000 JPY/5 days).

Details are in the website (<http://www.org.kobe-u.ac.jp/icnts26/index.html>).

Venue

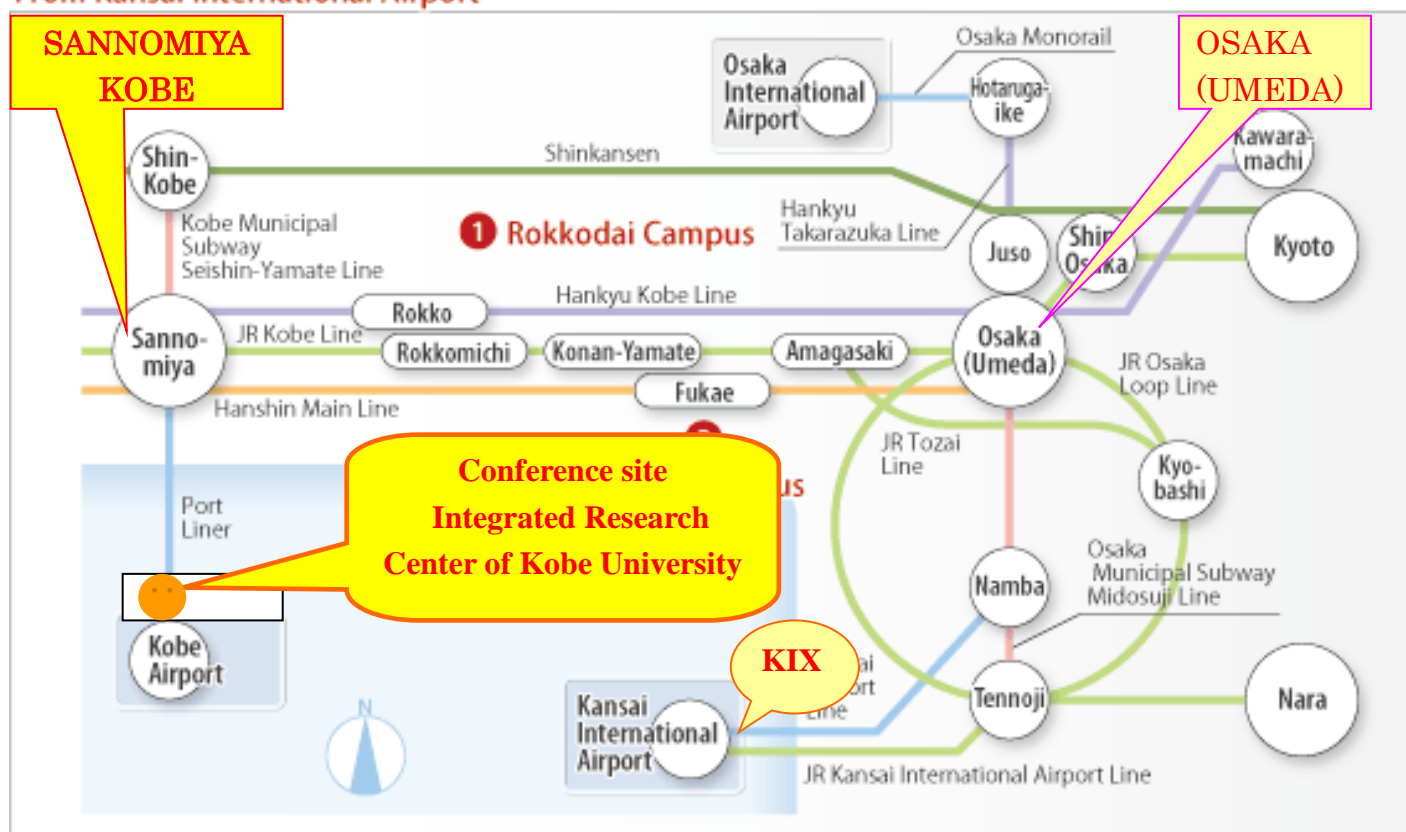

<http://www.kobe-u.ac.jp/kuirc/>

The Hall of Integrated Research Center of Kobe University will be utilized as the main conference site located in Port Island, which is an artificial island in Kobe city. This faces to “K Computer Mae Station” of Port Liner, which are served between Kobe Airport and Sannomiya,

Integrated Research Center of Kobe University

From Kansai International Airport

Access from Kansai International Airport (KIX)

Sannomiya is the center part of Kobe-city. For over sea participants, the most convenient Airport is the Kansai International Airport (KIX), which locates at the other side of the Osaka Bay from the conference site (<http://www.kansai-airport.or.jp/en/index.asp>).

By trains (JR-Lines), it takes about 65 min to Osaka. After changing the trains there, it takes other 30 min to Sannomiya (1,710 JPY).

By bus (from Bus Stop No. 6), it takes about 70 min to Sannomiya (1,950 JPY).

By ship (High-Speed Ferry), it takes about 30 min to Kobe Airport (1,850 JPY).

More details are given in the web site (<http://www.kansai-airport.or.jp/en/access/index.html>).

Programme

The final programme will be fixed through brief reviews after closing the abstract submission. The frame will be as in the followings:

26th International Conference on Nuclear Tracks in Solids, Kobe, Japan, September 15-19, 2014

	Sunday, Sept 14	Monday, Sept 15	Tuesday, Sept 16	Wednesday, Sept 17	Thursday, Sept 18	Friday, Sept 19
09:00		Registration	Oral	Oral	Oral	Oral
10:00		Opening	Coffee Break	Coffee Break	Coffee Break	Coffee Break
