

SCTC2018: Session Time Table

Sunday, June 24th		Monday, June 25th		Tuesday, June 26th		Wednesday, June 27th		Thursday, June 28th		Friday, June 29th	
		9:00	Opening Remarks & Overview by Countries (1)	9:00	On-Orbit Investigations & Nano-Satellite (1)	9:00	Plasma Propulsion and Tethers	9:00	Theory, Modeling and Computer Simulations (1)	9:00	Charging and Arcing Mitigation
		10:25	Coffee Break	10:15	Coffee Break	10:40	Coffee Break	10:15	Coffee Break	10:40	Coffee Break
		10:40	Overview by Countries (2)	10:30	On-Orbit Investigations & Nano-Satellite (2)	10:55	Plenary Talk & Dusts and Small Bodies in Space	10:30	Theory, Modeling and Computer Simulations (2)	10:55	Standards & Award Ceremony & Closing Remarks
		11:55	Lunch & Poster Session A (Space Weather, Solar Array Plasma Interactions, On-Orbit Investigations & Nano-Satellite, Internal Charging)	11:45	Lunch & Poster Session B (Ground Testing, Plasma Propulsion and Tethers, Dusts and Small Bodies in Space, Theory/Modeling/Computer Simulations-A)	12:20		11:45	Lunch & Poster Session C (Theory/Modeling/Computer Simulations-B, Material Properties, Charging and Arcing Mitigation, Standards)	12:00	Closing
15:00	Registration	14:55	Space Weather & Charging (1)	14:45	Ground Testing		Excursion	14:45	Material Properties (1)		
16:00		16:35	Coffee Break	16:00	Coffee Break			16:25	Coffee Break		
	Registration & Welcome Reception	17:00	Space Weather & Charging (2)	16:15	Internal Charging (1)			16:50	Material Properties (2)		
		18:40	Adjourn	17:30	Coffee Break			18:30	Adjourn		
19:00	Adjourn			17:45	Internal Charging (2)						
				19:00	Adjourn	19:00	Banquet
